

Ignacio Borrego

Of Counsel

Corporate and M&A

His huge experience and confidence are incredibly valuable

————— Client quotation, Chambers Europe 2015

Primary practice

Corporate and M&A

About Ignacio Borrego

Ignacio specialises in public and administrative law and regulated industries.

Over his professional career, he has gained a lot of experience advising major national and international corporates, financial institutions and public organisations on transactional and project-finance matters, administrative proceedings, public tenders and contentious-administrative procedures.

Ignacio specialises in energy and renewable energy, and regularly advises clients on a diverse range of regulatory matters. He also has broad experience in the environmental, public infrastructure and public procurement sectors.

He speaks Spanish and English.

Recent work

- Advising HOCHTIEF on its acquisition (alongside ACS and Atlantia) of toll-road operator Abertis. Read more about the deal in our case study.
- Advising Nordex on regulatory issues related to the acquisition of Corporación Acciona Windpower from Acciona for €785m.
- Advising Helios Kliniken on regulatory matters related to its acquisition of Quironsalud.
- Advising Ontario Teachers' Pension Plan and PSP Investments on regulatory matters related to the acquisition of a portfolio of renewable energy (wind and solar) and water infrastructure assets.
- Advising Eurus Energy Europe in an international arbitration against Spain under the Energy Charter Treaty.
- Advising Hispania on the public tender launched by the town council of Madrid for the construction and operation of buildings in a plot of land located in Real Madrid's old Sports City.

Qualifications

Education

- Universidad San Pablo CEU, Madrid, Spain (law, majoring in EU law)

Additional responsibilities

- Professor in postgraduate courses, including an MA course in energy law
