**Michal is part of our private M&A solutions group, our global financial investors team and our global transactions team. He is also a member of the CEE/CIS group, and has a proven track record in the region.**

Michal is used to handling complex, high-profile transactions across multiple countries. He specialises in private M&A, with a focus on private equity transactions, public M&A, particularly public takeovers and squeeze-outs, as well as transactions in the energy, gas and telecoms sectors.
