# About Kai Jungbluth

**Kai is a Principal Associate in our global transactions group.**

He advises both national and international clients on all aspects of corporate law, in particular on questions of stock corporation law, corporate reorganisations (domestic and cross-border) and shareholders' meetings. Another focus of his advisory activities is the formation of European companies (*Societas Europaea*).

He speaks German and English.

## Recent work

- Advising PATRIZIA on its conversion into a European Company (*Societas Europaea - SE*) with a monistic management system
- Advising J.P. Morgan on the simultaneous cross-border merger of three subsidiaries to establish J.P. Morgan SE
- Advising Goldman Sachs on the cross-border merger to establish Goldman Sachs Bank Europe SE, and further cross-border corporate reorganisation measures
- Advising State Street Global Advisors on the cross-border merger of the asset management activities
- Advising Permira and TeamViewer on the public listing of TeamViewer AG
- Advising TRATON on its conversion into a European Company (*Societas Europaea - SE*), the public listing and the merger squeeze-out of MAN's minority shareholders
- Advising Auto1, Delivery Hero and home24 on their conversion into a European Company (*Societas Europaea - SE*)
- Advising UBS on the simultaneous cross-border merger of five European wealth management entities to establish UBS Europe SE
- Advising STADA Arzneimittel on activist shareholder defence and on the squeeze-out
