

Maximilian Lasson

Counsel

Corporate and M&A

Primary practice

Corporate and M&A

About Maximilian Lasso

Max focuses on cross-border private M&A transactions for both corporate clients and financial sponsors.

Max has a strong track record in the Industrials sector, with a particular focus on chemicals and aerospace. His key areas of expertise include complex, multinational carve-out transactions and joint ventures. Max is also experienced in post-M&A litigation.

He speaks German, English and French.

Recent work

- LANXESS on the purchase of the Microbial Control Business of International Flavors & Fragrances (IFF);
- LANXESS Deutschland GmbH on the carve-out and divestiture of its worldwide organic leather chemicals business to TFL Ledertechnik GmbH;
